

## **Gardens Scavenger Hunt**

1. List at least three plants you see in bloom while on your scavenger hunt.
2. While visiting the Desert Oasis, name one critter you might see.
3. Where do you see the meadows looking out from the Desert Oasis?
4. Do you know what "Las Vegas" means?
5. Just past the Desert Oasis there is a plant near a pine tree and windmill. The plant has two names. The first name is a color and the second name is something that makes a sound. What is the name of the plant?
6. Find the tall tree located at the beginning of Cactus Alley. (Hint- it looks like it has brown and green hair). Draw a picture and name the tree.

**Draw Picture Here:**

7. Near the windmill you will find a large purple tank. What does the Springs Preserve do with all the water coming from the Preserve?
8. Along Cactus Alley, name the big plant being watered by the water can.
9. In the same area, name the tree with green bark.
10. On your journey down Cactus Alley, look for the biggest saguaro you can find. How many arms does the biggest saguaro cactus have on it?
11. Which is the shortest palm in the Palm Grove?
12. Do all palms have dark green leaves? Yes or No. If not, name a palm that has different colored leaves (Hint, look at the names of the palms for help).
13. Go to the cemented wall. You will see pictures of insects that help plants. Name one insect.
14. Near the compost piles, you will find large containers. Name two of the items found in those containers that you may have in your home or yard?
15. Near the compost pile, name seeds that if they were real you could eat them.
16. Walk down the trail from the compost pile. Pass the area where fresh vegetables are growing. At the end of the trail you will reach the Enabling Garden (also known as a garden for handicapped people). Name two tools that a handicapped person can use while gardening.
17. Next, head to the frame house. What is missing in the frame house that is found in your home?
18. Go to the bridge and name the two plants found in Nature's Water Filter.
19. Coming up the trail from the Frame House, what is the name of the plant that has a very strong scent and your parents may use to cook with? (Hint, the first part of this plant's name is the name of another beautiful smelling flower and the second part of this plant's name is a woman's name!)
20. What is name of the place in the Gardens you take your sick plants?
