Spring Break Camp Guidelines

WELCOME!
We’re glad you’re here and we hope you’re ready for adventure! We’ve put together this guide to help you understand what to expect and to help ensure your child has the best experience. Please read through this information in full and be sure to completely fill out, print and return ALL THE FORMS in this packet on your first day of camp. If you have multiple children registered for camp, you will need a separate packet per child.

HOW TO REACH US
The Springs Preserve Camp Phone is 702-419-4409. This is the number to text during camp if you need to send a message to a camp lead such as a late arrival, an early pick up, or other information about your camper. During an emergency, you can call this number to speak directly to camp personnel.

For non-emergency questions about camp, such as inquiries about our camp policies, these forms, or what to expect please contact one of our camp leads at 702-822-7784. Camp leads are also available to speak in person with parents or guardians during extended care.

CAMP LOCATION
All camps take place at the Springs Preserve located at 333 S. Valley View, Las Vegas, NV. Once you enter the main drive, please look for the fork towards the South Parking Lot. This will lead you down a hill to a gravel parking lot. Once you enter the Preserve, follow the signs for SPRING BREAK CAMP to the Garden Classroom, located immediately to the left of the South Entrance, by an outdoor amphitheater.

☐ Weapons. We have a zero tolerance policy for knives, including pocket knives, toy/water guns, or other sharp or potentially dangerous objects.

WHAT TO WEAR

Prepare your child properly for camp each day! Clothing should be in good taste, and weather appropriate. It should also be comfortable for a long, active day.

- Campers must wear close-toed shoes for their own safety. Campers wearing inappropriate footwear such as sandals, flip-flops, wheeled shoes, or heels may be asked to sit out of certain activities to prevent potential injuries.

- Sunglasses and hats are strongly recommended to protect your child from exposure to the desert sun.

- Wear clothes that are okay to get dirty or stained— camp fun can be messy business!

- Shirts must cover the waistline.

- Sleeveless shirts must have straps.
WHAT WILL CAMPERS BE DOING?

Camp program activities are planned from 9:00 to 4:00. Each week of camp has its own unique theme and lessons will center around that theme. This may include crafts, science, or games.

To take full advantage of the wonderful campus that the Springs Preserve provides, each week will also include visits to the Nature Exchange, live animal demonstrations, and exploration of our museum spaces. A movie correlated with the weekly theme plays during extended care and during the lunch hour. We consider this part of unstructured play time, and campers have the option to chat with their friends or relax and recharge by watching a film. All movies are rated G or PG.

You must have a signed Medical Treatment Authorization for a Minor form on file for camp staff to administer your child’s medication. This includes inhalers, epi-pens, and over the counter medicine. All medications must come in the original manufacturer container and placed in a Ziploc bag that clearly states the camper’s name, correct dosage and time to be administered.

If your child shows signs of moderate to serious illness such as rash, fever, diarrhea, vomiting or other symptoms we will call you or your emergency contact and ask you to pick the child up within one hour. If your child experiences a minor illness or injury at camp, staff will notify you at the time of pickup. In the event of serious injury requiring immediate medical treatment, Springs Preserve staff and Security will call 911 first and the parent immediately after; 911 personnel will be responsible for transportation to local medical facilities. A staff person will stay with your child until a parent or emergency contact arrives.
