With its botanical garden, trails, and colorful landscapes, the Springs Preserve has gained international renown as a place of beauty and a haven of nature in the heart of bustling Las Vegas. It also has become a leading destination for couples to seal their commitment with loved ones in a unique, natural setting found nowhere else in the city.

The Springs Preserve can help make your wedding day a memorable one in any of several indoor and outdoor settings—for parties ranging from fewer than 50 up to 500—and with packages to meet your wishes and your budget. Our list of preferred vendors provide professional services ranging from photography and floral arrangements, to music and lighting—not to mention wedding planning.

Please note: all weddings require a wedding planner. Due to demand, weekend (Friday-Sunday) and holiday ceremony-only weddings may only be reserved within 90 days of the requested date. Weekday (Monday-Thursday, excluding holidays) ceremony-only weddings can be reserved up to one year in advance. Booking time restrictions may apply.
